Dear David,

We hope this letter finds you and everyone at SMIS safe and well. We at EERI have been tracking news of the damage wrought by the recent earthquakes in Mexico, and want to express our sincerest concern and support for you and your loved ones.

We treasure our relationship with our colleagues in Mexico, and want to take this opportunity to reaffirm our position of support and agreement. During these tragic times, our continued collaboration will ensure continued learning from earthquakes with the hope of fostering safer cities and stronger communities worldwide.

If there is anything we can do to support you at this time, please let us know.

Sincerely,

David Friedman, Board President
